APSEC 2016
Bibliometric and Scientific Publication Mining

Evaluation and Assessment of Past 6 Years of APSEC

How the conference has evolved over the past 6 years

What is the quality of the conference based on several key performance indicators

What extent APSEC is meeting its desired objectives

Examine the state of APSEC across various aspects of the conference
Metrics and Key Performance Indicators

Evaluation and Assessment Across Multiple Dimensions

1. Submission and Acceptance Rate
2. Scholarly Output of Countries
3. Average Authors Per Paper
4. Country of Author and Frequency
5. PC Members across Industry, University
6. University and Industry Collaboration
7. Most Prolific Authors
8. Percentage of Male and Female Authors
9. Google Scholar Citation Statistics
10. Most Cited APSEC 2010 to 2015 Papers
11. Internal and External Collaboration
12. Knowledge Areas, Key-Terms
13. PC Diversity and Churn
## Google Scholar Citations
